Purpose

Our purpose at First Baptist Kindergarten is to provide a caring environment for your three, four, or five year old child to experience God's love while pursuing specific social, academic, and spiritual goals. It is our desire that each child develop at his own pace and be appreciated for his unique gifts.

Curriculum

Our curriculum is carefully chosen to provide your child with opportunities to grow. Kindergarten uses both language arts and math curricula published by Harcourt. These are the same as used by the local public schools. Our fours use Wee Learn, published by Lifeway. Three's use The Complete Early Childhood Curriculum, by Sobut and Bogan. Each day, each child is offered a balance of guided play activities, reading, math, art, music, computer, outdoor play, language development activities, and Bible thoughts.

Registration/Tuition

A \$75.00 registration fee is due at the time of registration. Payment of monthly tuition begins in August. Those registering for Kindergarten (5 year) must pay their August tuition by June 1, or at registration if that occurs after June 1. The registration fee for all ages and the August
